Your "sensitive" issue request has been received in this office.

Your sensitive issue request has been reviewed. In order for your complaint to be treated as sensitive, the Director of Administrative Remedy Program must agree with you and accept it as a sensitive issue.

I do not find that this issue meets the criteria for sensitive treatment; therefore, I am returning my response to you for submission through the Administrative Remedy Program (ARP) as a non-sensitive ARP and is therefore denied as to sensitive issue.

You will have five (5) days after receipt of this response to submit your potential grievance through regular channels to the ARP department at your facility for consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Pennington".

R. Pennington, Director  
Administrative Remedy Program
